

## **BASIC NECESSITIES DRIVE FOR NEWLY ARRIVED MIGRANTS**

The JCRC is proud to be partnering with Identity, a non-profit agency currently working to meet the needs of the migrants arriving in Montgomery County.

These newcomers have no connection or support system in the area, and they have very few belongings. The need is great and there is no end in sight.

As the High Holy Days approach, we reached out to local congregations for help in meeting the basic needs of the migrant families.

We are asking you to join them by bringing any of the following to the JCRC Board meeting on September 28th.

- Walmart gift cards
- Target gift cards
- Toiletries: menstrual pads, deodorant, powder, lotion, razors, shaving cream, soap, shampoo, combs, toothbrushes, toothpaste, laundry detergent, flashlight and batteries, towels and wash cloths, reusable water bottles, pens, notebooks.

All items must be **NEW** and clearly labeled **Identity**.

If you prefer, you can give directly to Identity's LIFT Fund

**Please note:** Identity cannot accept clothes or home furnishings.

Thank you so much for participating in this *mitzvah*.
